Reference: Amended October Quarterly Report (7/1/00-9/30/00), dated 11/27/00

Dear Mr. Groesbeck:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your cover letter states that one of the checks received was returned due to insufficient funds. Please note, if a contributor's check is returned to the political committee due to insufficient funds and the receipt of the check was previously reported, the political committee must report the return under the proper category of receipts as a negative entry and net out the amount of the check from the total for that category. Please amend Schedule A supporting Line 11(c) of the Detailed Summary Page.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions to federal political committees should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions contained on the forms to determine the proper categorization when preparing your next filing.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports
